prior to the vote being taken. Absent such advice, the Lot's vote on any issue shall be disregarded if more than one Person seeks to exercise it.

ARTICLE IV

RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1 Common Area. The Association, subject to the rights and obligations of the Owners set forth in this Declaration, shall manage and control the Common Area (and all improvements thereon including without limitation, buildings, facilities, furnishings, equipment, and other personal property of the Association used in connection with the Common Areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to this Declaration and the By-Laws and consistent with the Community Standard. The Declarant and its designees may convey to the Association improved or unimproved real estate, or interests in real estate, located within the Properties, personal property and leasehold and other property interests. Such property shall be accepted and maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the Real Estate Records. The Declarant shall convey the initial portion of the Common Area to the Association prior to the conveyance of a Lot to any Person other than a Builder.

4.3 Enforcement. The Association may impose sanctions for violations of the Governing Documents in accordance with procedures set forth in the By-Laws, including reasonable monetary fines and suspension of the right to vote and to use any recreational facilities within the Common Area. In addition, in accordance with Section 3.22 of the By-Laws, the Association may exercise self-help to cure violations and may suspend any services it provides to the Lot of any Owner who is more than thirty (30) days delinquent in paying any assessment or other charge due to the Association. The Association shall not be obligated to take any action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action, or in any case where the Board reasonably determines that the benefit to the Association of taking such enforcement action is outweighed by the resources of the Association which would be expended by the Association in pursuing such enforcement action. Any such determination shall not be

construed as a waiver of the right to enforce such provision under other circumstances or stop the Association from enforcing any other covenant, restriction or rule, nor prevent an Owner from pursuing such enforcement if Owners otherwise have the right to take such action.

4.4 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. 4.5 Governmental Interests. For so long as the Declarant owns any of the Properties or the Annexable Property, the Declarant may designate sites within the Properties for public or quasi-public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant and if required to be approved pursuant to Section 2.4 hereof. The sites may include other property not owned by Declarant provided the Owner consents.

4.6 Indemnification. The Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred by them in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that, to the extent, if at all, Section 56-7-1 NMSA 1978, as amended, is applicable, any provision to indemnify, hold harmless, insure, or defend, such indemnity obligations shall be limited by Section 56-7-1 NMSA 1978.

4.7. Dedication of Common Area. The Association may dedicate portions of the Common Area to Valencia County, New Mexico, the City of Belen, New Mexico, or to any other local state, or federal governmental or quasi-governmental entity, subject to such approval, if any, as may be required by Section 2.4 hereof.

4.8 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, persons or entities employed by the Association, the Initial Declarant, nor any successor Declarant, including the current Declarant, shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or for the effectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system or measures, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Lot that the Association, its Board of Directors and committees, Initial Declarant; and any successor Declarant, including the current Declarant, are not insurers and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including

(ix) Property dedicated to the public, which the Board determines that such maintenance is necessary or desirable to maintain the Community Standard.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Common Area shall be a Common Expense, without prejudice to

the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Common Area pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof.

(b) There are hereby reserved to the Association easements over the Properties as necessary to enable the Association to fulfill such responsibilities. Except as provided above, the Common Area shall not be reduced by amendment of this Declaration or any other means, except with the prior written approval of the Declarant as long as the Declarant owns any of the Properties.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Lot, respectively, and all structures, parking areas, and other improvements comprising the Lot in a manner consistent with the Community Standard and all applicable covenants. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner as a Reimbursement Assessment. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3 Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community Standard and all applicable covenants. The Association and/or an Owner shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities on such property.

ARTICLE VI
INSURANCE AND CASUALTY LOSSES

6.1 Association Insurance.

(a) The Association shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Property insurance for all insurable improvements on the Common Area, if any, and any of the Common Area, regardless of ownership, to the extent that it has assumed such responsibility. Property insurance, if any, shall have policy limits sufficient to cover the full replacement cost of the insured improvements;

(ii) commercial general liability insurance on the Common Area, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and

any umbrella coverage) shall have a combined limit of at least \$1,000,000 per occurrence with respect to bodily injury, personal injury, and property damage;

(iii) Workers compensation insurance and employers liability insurance, if and to the extent required by law;

(iv) Directors and officers liability coverage, if affordable;

(v) fidelity insurance covering all Persons responsible for handling Association funds in an amount determined in the Board's best business judgment, but not less than an amount equal to one-sixth (1/6th) of the annual Maintenance Assessments on all Lots plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(vi) Such additional insurance in such amounts as the Board, in its best business judgment, determines advisable.

(b) Policy Requirements. The Association shall arrange for an annual review of the sufficiency of its insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to each Member insured, if reasonably requested by the Member, and to the Association.

Premiums for all Association insurance shall be Common Expenses. The policies may contain a reasonable deductible, and the deductible shall be treated as a Common Expense. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with Section 3.22 of the By-Laws, that any loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may proceed to collect the full amount of such deductible against such Owner(s) and their Lots as a Reimbursement Assessment.

All insurance coverage obtained by the Board shall:

(i) be written with a company authorized to do business in the State of New Mexico which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(ii) be written in the name of the Association as trustee for the benefit of the Association and its Members;

(iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(iv) contain an inflation guard endorsement;

(v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(i) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests; a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(ii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or an account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(iii) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(iv) an endorsement requiring at least thirty (30) days prior written notice to the Association of any cancellation, substantial modification, or non-renewal; and

(v) a cross liability provision.

(c) Damage and Destruction. Improvements, if any, on the Common Area which are damaged or destroyed and are covered by insurance written in the name of the Association, shall be repaired or reconstructed unless the Members representing at least 75% of those voting on the matter of the Members in the Association decide within sixty (60) days of the loss not to repair or reconstruct. If the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board, may, without a vote of the Members, levy Special Assessments to cover the shortfall.

6.2 Owner's Responsibility. Each Owner covenants and agrees that in the event of damage to or destruction of structures including perimeter walls on or comprising his Lot, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specification as are approved in accordance with Article IX hereof. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat and attractive, landscaped condition consistent with

the Community Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

ARTICLE VII **ANNEXATION AND WITHDRAWAL OF PROPERTY**

7.1 Annexation Without Approval of Membership. Until all of the Annexable Property has been subjected to this Declaration, Declarant may unilaterally subject to the provisions of this Declaration all or any portion of the Annexable Property. The Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the Properties and that such transfer is memorialized in a written, recorded instrument executed by Declarant. The Declarant may terminate the right to annex certain or all of the Annexable Property by a recorded instrument executed by Declarant.

Annexation shall be accomplished by filing a Supplemental Declaration in the Valencia County Real Estate Records describing the property being annexed and shall not require the consent of Members, but it shall require the consent of the owner of the property being annexed, if other than Declarant.

Nothing in this Declaration shall be construed to require the Declarant or any successor to annex or develop any of the Annexable Property at any time.

7.2 Annexation With Approval of Membership. The Association may subject any real property to the provisions of this Declaration with the consent of the owner of the property being annexed, the affirmative vote of Members representing more than 50% of those voting on the matter of the Members in the Association represented at a meeting duly called for such purpose, and the consent of the Declarant so long as Declarant, owns any of the Annexable Property.

Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Real Estate Records of Valencia County. Any such Supplemental Declaration shall be signed by the President and Secretary of the Association, and by the owner of the annexed property, and by the Declarant, if the Declarant's consent is required.

7.3 Withdrawal of Property. The Declarant reserves the right to amend this Declaration so long as it owns as it owns any of the Annexable Property for the purpose of removing any portion of the Properties from the coverage of this Declaration, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Properties. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not the Declarant. If any of the withdrawn property is Common Area, the Association shall consent to such withdrawal.

7.4 Additional Covenants and Easements. The Declarant may unilaterally subject any portion of the Properties to additional covenants and easements. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrent with or after the annexation of the subject property, and shall require the written consent of the owner(s) of such property, if other than the Declarant. Any such Supplemental Declaration may supplement,

create exceptions to, create new, different, or additional restrictions, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

7.5 Amendment. This Article shall not be amended without the prior written consent of Declarant, so long as the Declarant owns any of the Annexable Property.

ARTICLE VIII **ASSESSMENTS**

8.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be three types of assessments: (a) Maintenance Assessments to fund Common Expenses for the general benefit of all Lots; (b) Special Assessments as described in Section 8.5 below; and (c) Reimbursement Assessments as described in Section 8.6 below. Each Owner, by accepting a deed to a Lot or entering into a recorded New Mexico Real Estate Contract for any portion of the Properties, is deemed to covenant and agree thereby to pay these assessments.

All assessments, together with interest (computed from the due date of such assessment at a rate of fifteen percent (15%) per annum or such other rate as the Board may establish, subject to the limitations of New Mexico law), late charges in such amount as the Board may establish by resolution, costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Lot against which the assessment is made until paid, as more particularly provided in Section 8.7 below. Each assessment, together with interest, late charges, costs, and reasonable attorneys fees, also shall be the personal obligation of the Owner at the time the assessment arose. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. Any first Mortgagee who obtains title to a Lot by exercising the remedies provided in its Mortgage shall not be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a certificate in writing signed by an Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two or more installments. Unless the Board otherwise provides, the Maintenance Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his/her Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his Lot, or any other means. The obligation to pay assessments is a separate and

independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses.

8.2. Declarant's Obligation for Assessments. The Declarant shall pay assessments on its unsold Lots in the same manner as any other Owner, unless otherwise determined by the Declarant and the Association.

8.3 Computation of Maintenance Assessment. At least sixty (60) days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, including a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 8.4 below.

Maintenance Assessments shall be levied equally against all Lots and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including reserves. In determining the total funds to be generated through the levy of Maintenance Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Lots reasonably anticipated to become subject to assessment during the fiscal year.

So long as the Declarant owns any Annexable Property, the Declarant may, but shall not be obligated to, reduce the Maintenance Assessment for any fiscal year by payment of a subsidy (in addition to any amounts paid by Declarant under Section 8.2), which may be treated as either a contribution or an advance against future assessments due from the Declarant, or a loan, in the Declarant's discretion. Any such subsidy shall be conspicuously disclosed as a line item in the Common Expense budget and the treatment of such subsidy shall be made known to the membership. The payment of such subsidy in any year shall under no circumstances obligate the Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Declarant.

The Board shall send a copy of the budget and notice of the amount of the Maintenance Assessment for the following year to each Owner at least thirty (30) days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members representing more than 75% of those voting on the matter of the Members in the Association. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Section 2.4 of the By-Laws, which petition must be presented to the Board within ten (10) days after delivery of the notice of assessments.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue in effect for the current year.

8.4 Reserve Budget. The Board shall annually prepare a reserve budget which takes into account the number and nature of replaceable assets within the Common Area, the expected life of each asset, and the expected repair or replacement cost (the "Reserve Budget"). The Board shall set the required Reserve Budget in an amount sufficient to permit meeting the projected needs of the Association, as shown on the budget, with respect both to amount and timing by annual Maintenance Assessments over the budget period.

8.5 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of Members representing more than 67% of the Lots voting on the matter which will be subject to such Special Assessment. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

8.6 Reimbursement Assessments. The Association will have the power to levy Reimbursement Assessments against a particular Lot as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Lot into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing, in accordance with Section 3.22 of the By-Laws before levying any Specific Assessment under this subsection (b).

8.7 Lien for Assessments. The Association shall have a lien against each Lot to secure payment of delinquent assessments, as well as interest subject to the limitations of New Mexico law, late charges and costs of collection (including attorney fees). Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charges of any first Mortgage of record at the time such lien attaches (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when

delinquent, may be enforced by judicial foreclosure.

The Association may bid for the Lot at foreclosure and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure: a) no right to vote shall be exercised on its behalf; and (b) no assessment shall be levied on it. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments except pursuant to foreclosure of a first Mortgage. A Mortgagee or other purchaser of a Lot who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lots subject to assessment under Section 8.8 below, including such acquirer, its successors and assigns.

8.8 Date of Commencement of Assessments. Subject to the provisions of Section 8.2 hereof, the obligation to pay assessments shall commence as to each Lot on the first day of the month after all of the following have occurred: (a) the Lot has been made subject to this Declaration, (b) the Board has first determined a budget and levied assessments pursuant to this Article, and (c) the Board has set an effective date for commencement of assessments for the Lot. The first annual Maintenance Assessment levied on each Lot shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Lot.

8.9 Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Maintenance Assessments or whatever other assessments as may be due on the same basis as during the last year for which an assessment was made if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.10 Exempt Property. Common Area, and any property dedicated to and accepted by any governmental authority or public utility shall be exempt from payment of Maintenance Assessments and Special Assessments.

ARTICLE IX

ARCHITECTURAL STANDARDS

9.1 General. No structure shall be placed, erected, or installed upon any Lot, and no improvements (including staking, clearing, excavation, grading and other site work, exterior alteration of existing improvements, and planting or removal of landscaping materials) shall take place except in compliance with this Article, and approval of the Committee under Section 9.2 below, unless exempted from the application and approval requirements pursuant to Section 9.3

below.

Any Owner may remodel, paint or redecorate the interior of structures on his Lot without approval.

No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

This Article shall not apply to the activities of the Declarant, nor to improvements to the Common Area by or on behalf of the Association.

This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation pursuant to this Declaration.

9.2 Architectural Review. Responsibility for administration of the Design Guidelines and Architectural Control Committee Rules and review of all applications or construction and modifications under this Article shall be handled by the Architectural Control Committee. The members of the Architectural Control Committee need not be Members of the Association or representatives of Members, and may, but need not, include architects, landscape architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the Board. The Board may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred by the Committee in having any application reviewed by architects, engineers or other professionals.

9.3 Architectural Control Committee. The Architectural Control Committee (the "Committee") shall consist of at least three (3), but not more than five (5), persons and shall have exclusive jurisdiction over all original construction on any portion of the Properties. Until 100% of the Properties and the Annexable Property has been developed and conveyed to Owners other than Builders, the Declarant retains the right to appoint all members of the Committee, who shall serve at the Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant with the written consent of the owner of the undeveloped portions of the Annexable Property. Upon the expiration of such right, the Board shall have the right to appoint the members of the Committee, who shall thereafter serve and may be removed in the Board's discretion.

9.4 Guidelines and Procedures.

(a) Design Guidelines and Architectural Control Committee Rules. The Declarant shall prepare the initial Design Guidelines and Architectural Control Committee Rules for the Properties. The Design Guidelines and Architectural Control Committee Rules may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one portion of the Properties to another depending upon the location, unique characteristics, and intended use. The Design Guidelines and Architectural Control Committee Rules are intended to provide guidance to Owners and Builders regarding

matters of particular concern to the Committee in considering applications hereunder. The Design Guidelines and Architectural Control Committee Rules are not the exclusive basis for decisions of the Committee and compliance with the Design Guidelines and Architectural Control Committee Rules does not guarantee approval of any application.

The Committee shall adopt such Design Guidelines and Architectural Control Committee Rules at its initial organizational meeting and thereafter shall have sole and full authority to amend them. Any amendments to the Design Guidelines and Architectural Control Committee Rules shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines and Architectural Control Committee Rules; the Committee is expressly authorized to amend the Design Guidelines and Architectural Control Committee Rules to remove requirements previously imposed or otherwise to make the Design Guidelines and Architectural Control Committee Rules less restrictive.

The Committee shall make the Design Guidelines and Architectural Control Committee Rules available to Owners and Builders who seek to engage in development or construction within the Properties. In the Declarant's discretion, such Design Guidelines and Architectural Control Committee Rules may be recorded in the Real Estate Records, in which event the recorded version, as it may unilaterally be amended from time to time, shall control in the event of any dispute as to which version of the Design Guidelines and Architectural Control Committee Rules was in effect at any particular time.

The Committee may promulgate detailed procedures and standards governing its area of responsibility, consistent with those set forth in the Design Guidelines and Architectural Control Committee Rules and subject to review and approval or disapproval by the Committee. Any architectural guidelines and standards adopted by the Committee may be more restrictive than the Design Guidelines and Architectural Control Committee Rules, but under no circumstances shall they be inconsistent with the Design Guidelines and Architectural Control Committee Rules.

(b) Procedures. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the Committee for review and approval (or disapproval). In addition, information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction shall be submitted as applicable. In reviewing each submission, the Committee may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other things. Decisions of the Committee may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and may vary as Committee members change over time.

In the event that the Committee fails to approve or to disapprove any application within thirty (30) days after submission of all information and materials reasonably requested, the application shall be deemed approved: However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Design Guidelines and Architectural Control Committee Rules unless a variance has been granted in writing by the

Committee pursuant to Section 9.6 below.

Notwithstanding the above, the Committee, by resolution, may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

9.5 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.6 Variance. The Committee may authorize variances from compliance with any of its guidelines and procedures when circumstances such as unusual topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, (a) when unique circumstances dictate, and no variance shall be effective unless in writing; (b) be contrary to this Declaration; or (c) preclude the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

9.7 Limitation of Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and the Committee shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Board, the Committee, nor member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot. In all matters, the Committee and its members shall be defended and indemnified by the Association as provided in Section 4.6.

9.8 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Board or the Declarant, Owners shall, at their own cost and expense, remove such structure or improvement and restore the Lot to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Board or its designees shall have the right to enter the Lot, remove the violation, and restore the Lot to substantially the same condition as previously existed. All costs, together with the interest at the maximum rate then allowed by law, and administration expenses may be assessed against the benefited Lot and collected as a Reimbursement Assessment.

Unless otherwise specified in writing by the Committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. In the event that any Person fails to

commence and diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be heard in accordance with Section 3.22 of the By-Laws, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Reimbursement Assessment.

The Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the Committee.

9.9 Soils Condition. Declarant, the Association and/or the Committee make no warranty or representation concerning the soil and/or the characteristics or structural stability of the Properties. Each Owner shall assess the sufficiency of the load-bearing capacity of his or her Lot and the effect of possible soil subsidence upon the structures intended to be placed thereon which are, in part, dependent upon the condition of the underlying soils, the footing, foundation and structural design and plans used for construction on the Lot. Declarant, the Association and/or the Committee shall not be liable should the footing, foundation or structural design or plan of the structures placed on the Properties prove insufficient to prevent structural distress or damage to the structures erected thereon by the Owners caused by soil subsidence, settlement, collapse or expansion. Each Owner agrees to cause construction upon his or her Lot to be in conformity with the recommendations contained within the soils report prepared for the Properties, available at the office of the Declarant, or recommendations of an independent soils report prepared by a consultant retained by the Owner.

ARTICLE X **Use Restrictions**

10.1 Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Community in order to enhance all Owners' quality of living and collective interests, the aesthetics and environment within the Properties and the vitality of and sense of community within the Properties, all subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, needs and desires within the master planned community and to regulate and control the Common Area. The Properties are subject to the Design Guidelines and Architectural Control Committee Rules, the land development, architectural, and design provisions described in Article IX, the other provisions of this Declaration governing individual conduct and uses of and actions upon the Properties, and the Use Restrictions promulgated pursuant to this Declaration, all of which establish affirmative and negative covenants, easements, and restrictions on the Properties.

All provisions of this Declaration and any Association rules shall apply to all Owners, occupants, tenants, guests and invitees of any Lot. Any lease on any Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of the Governing Documents.

10.2 Initial Use Restrictions. The following restrictions shall apply to all of the Properties until such time as they are amended, modified, repealed or limited by rules of the Association adopted pursuant to Section 10.3 below.

(a) General. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, an information center and/or a sales office to aid the Declarant or any Builder owning Lots within the Properties to assist in the sale of the Properties, offices for any property manager retained by the Association, or business offices for the Declarant or the Association) consistent with this Declaration and any Supplemental Declaration.

(b) Restricted Activities. The following activities are prohibited within the Properties unless expressly authorized by, and then subject to such conditions as may be imposed by, the Architectural Control Committee:

(i) Parking of any commercial vehicles or equipment, boats, mobile homes, motor homes, recreational vehicles, golf carts, trailers, campers, camper shells, stored vehicles or inoperable vehicles within the Properties, unless such vehicles are appropriately screened as determined by the Architectural Control Committee. If the equipment or vehicles cannot be appropriately screened as determined by the Architectural Control Committee, then such equipment or vehicles shall not be permitted to be parked within the Properties. Construction, service and delivery vehicles shall be exempt from this provision during daylight hours for such period of time as is reasonably necessary to provide service or to make a delivery to a Lot or the Common Area, and noncommercial passenger vehicles, including automobiles, pickups, vans, and motorcycles may be parked on a Lot. The number of vehicles permitted to be parked upon a Lot shall not exceed the number of off-street parking spaces within the Lot. The Association shall have the right to maintain maintenance vehicles within the Community;

(ii) Raising, breeding or keeping of animals of any kind for commercial purposes is prohibited. Subject to each Lot Owner having advance written registration of pets with the Board, dogs and cats are permitted on the Lot. In addition, small household pets that remain inside the residence on the Lot at all times, such as caged birds, aquarium fish or guinea pigs, shall be allowed so long as the "nuisance" portions of this provision are not violated. Any pet which is permitted to roam free, or, in the sole discretion of the Board, makes objectionable noise, endangers the health or safety of, or constitutes a nuisance or inconvenience to the occupants of other Lots shall be removed upon request of the Board. If the pet owner fails to honor such request, the Board may remove the pet: Pets shall be kept on a leash or otherwise confined in a manner acceptable to the Board whenever outside the dwelling. Pets shall be registered, licensed and inoculated as required by law;

(iii) Any activity which emits foul or obnoxious odors outside the Lot, creates noise or other conditions which tends to disturb the peace or threaten the safety of the occupants of other Lots, or tends to cause embarrassment, discomfort, annoyance, or nuisance to persons using the Common Area or to the occupants of other Lots;

(iv) Any activity which violates local, state or federal laws or regulations; however, the Board shall have the right, but shall have no obligation to take enforcement action in the event of a violation;

(v) Pursuit of hobbies or other activities which tend to cause an unclean, unhealthy or untidy condition to exist outside of enclosed structures on the Lot;

(vi) Outside burning of trash, leaves, debris or other materials;

(vii) Use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to occupants of other Lots, except alarm devices used exclusively for security purposes;

(viii) Placement of signs on any Lot, including home occupation signs or real estate "for sale" signs, except as is provided in 10.5(b) below. Directional signs authorized by the Board, and "for sale", "sold", "model home" or other reasonable signs used by Declarant or a Builder designating unoccupied new homes or models shall be exempt from this provision.

(ix) Dumping of petroleum products, fertilizers, or other potentially hazardous or toxic substances in any drainage ditch or elsewhere within the Properties, except that fertilizers may be applied to landscaping on Lots provided care is taken to minimize runoff, and Declarant and Builders may dump and bury rocks and trees removed from a building site on such building site;

(x) Accumulation of rubbish, trash, or garbage except between regular garbage pick ups, and then only in approved containers;

(xi) Lawn clippings, yard wastes, and compost piles may be maintained only if screened from the view of any other Lot, roadway, or any portion of the Common Area;

(xii) Obstruction or rechanneling of drainage flows after location and installation of drainage swales, storm sewers, or storm drains, except that the Declarant and the Association shall have such right; provided the exercise of such right shall not materially diminish the value of or unreasonably interfere with the use of any Lot without the Owner's consent;

(xiii) Subdivision of a Lot into two or more Lots, or changing the boundary lines of any Lot after a subdivision plat including such Lot has been approved and filed in the Public Records, except that the Declarant shall be permitted to subdivide or replat Lots which it owns and minor lot line adjustments may be made with the prior written approval of the Committee to remedy encroachments, setback violations, or similar problems;

(xiv) Discharge of firearms; provided, the Board shall have no obligation to take action to prevent or stop such discharge;

(xv) Storage of common household hazardous materials such as gasoline and other fuels, fertilizers, and paint supplies is limited to a reasonable amount of fuel and fertilizer for emergency purposes and ordinary lawn care, and supplies for customary home maintenance; provided, the Association shall be permitted to store fuel for operation of maintenance vehicles, generators, and similar equipment;

(xvi) Any business or trade may not be maintained within a Lot, except that an Owner or occupant residing in a Lot may conduct business activities within the Lot so long as: (A) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Lot; (B) the business activity conforms to all zoning requirements for the Properties; (C) the business activity does not involve regular visitation of the Lot by an inordinate number of clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Properties; and (D) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Committee.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether; (A) such activity is engaged in full or part-time; (B) such activity is intended to or does generate a profit; or (C) a license is required. This subsection shall not apply to development or sales activities by the Declarant or a Builder;

The leasing of a Lot shall not be considered a business or trade within the meaning of this Section. "Leasing" is defined as regular, exclusive occupancy of a Lot by any person, other than the Owner for which the Owner receives any consideration. The Board may require a minimum lease term of twelve (12) months. All leases shall be in writing and notice of any lease, together with such any other information required by the Board, shall be given to the Board by the Lot Owner within ten (10) days of execution of the lease. The Owner must make available to the Lessee copies of the Declaration, By-Laws, and the Use Restrictions;

(xvii) Any construction, erection, or placement of anything, permanently or temporarily, on the outside portions of the Lot, whether such portion is improved or unimproved, except in strict compliance with the provisions of Article IX of this Declaration and approval of the Committee. This shall include, without limitation, clotheslines; garbage cans; woodpiles; swimming pools; directional or spot lighting; antennas, satellite dishes, or other apparatus for the transmission or reception of telephone, television, radio, data, satellite, or other signals of any kind; and walls, dog runs, animal pens, or fences of any kind;

(xviii) The maintenance on a Lot of plants, animals, devices or other things of any sort whose activities or existence in any way is noxious, dangerous, unsightly,

unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties;

(xvix) The maintenance on a Lot of structures, equipment or other items on the exterior portions of a Lot which have become rusty, dilapidated or otherwise fallen into disrepair or pose a threat to the health and safety of the Community.

10.3 Authority to Promulgate Use Restrictions/Community Standards. Subject to the terms of this Article, the initial Use Restrictions or Community Standards may be modified in whole or in part, repealed or expanded as follows:

(a) Subject to the Board's duty to exercise business judgment and reasonableness on behalf of the Association and its Members, the Board may adopt amendments which modify, cancel, limit, create exceptions to, or expand the initial Use Restrictions. The Board shall send notice by mail to all Owners concerning any such proposed action at least fifteen (15) business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken. Such action shall become effective, after compliance with subsection below, unless disapproved at a meeting by Members representing more than 75% of those voting on the matter of the Members in the Association. The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon receipt of a petition of the Members as required for special meetings in the By-Laws. Upon such petition of the Members prior to the effective date of any Board action under this Section, the proposed action shall not become effective until after such meeting is held, and then subject to the outcome of such meeting.

(b) Alternatively, the Members, at an Association meeting duly called for such purpose, may adopt amendments which modify, cancel, limit, create exceptions to, or expand the Use Restrictions by a of Members representing more than 75% of those voting on the matter of the Members in the Association.

(c) At least thirty (30) days prior to the effective date of any action taken under subsections (a) or (b) of this Section, the Board shall send a copy of the amendment to each Owner specifying the effective date. The Association shall provide, without cost, a copy of the Use Restrictions then in effect to any requesting Member or Mortgagee.

(d) Within thirty (30) days of the effective date of any amended Use Restrictions, a copy of the amended Use Restrictions certified by the Board Secretary as having been duly adopted, shall be recorded in the Real Estate Records of Valencia County.

(e) Nothing in this Article shall authorize the Board or the Members to modify, repeal or expand the Design Guidelines and Architectural Control Committee Rules. In the event of a conflict between the Design Guidelines and Architectural Control Committee Rules and the Use Restrictions and Rules, the Design Guidelines and Architectural Control Committee Rules shall control.

(f) The purpose of the Community Standards is to provide each Owner and the Community with minimum standards of common responsibility of conduct and respect for each other and each other's property. The Community Standards shall provide reasonable and sensible control over each Lot and over the use and operation of all Common Area Facilities within the Community. In the opinion of the Board of Directors such standards shall be required to protect Community property and the property of the Owners and to provide each and every Owner with a pleasant environment. Community Standards shall be promulgated and amended by the Board of Directors from time to time as the Board deems necessary and appropriate.

10.4 Owner's Acknowledgement and Notice to Purchasers. All Owners and occupants of Lots are given notice that use of their Lots is limited by the Use Restrictions as they may be amended, expanded and otherwise modified hereunder. Each Owner, by acceptance of a deed, acknowledges and agrees that the use, enjoyment, and marketability of his or her Lot can be affected by this provision and that the Use Restrictions may change from time to time. All purchasers of Lots are on notice that changes may have been adopted by the Association, and purchasers should obtain copies of the current Use Restrictions from the Association.

10.5 Rights of Owners. No Use Restriction or Community Standard shall be adopted in violation of the following provisions, except as may be specifically set forth in this Declaration (either initially or by amendment):

(a) Equal Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Political Signs. No Use Restriction or Community Standard shall regulate the content of temporary political signs; however, Community Standards may regulate the time, place and manner of posting such signs (including size and design criteria).

(c) Religious and Holiday Displays. The rights of Owners to display religious and holiday signs, symbols, and decorations inside structures on their Lots of the kinds normally displayed in residences located in single-family residential neighborhoods shall not be abridged, except that the Association may adopt time, place, and manner restrictions.

(d) Household Composition. No Use Restriction or Community Standard shall interfere with the freedom of occupants of Lots to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Lot on the basis of the size and facilities of the Lot and its fair use of the Common Area, and to restrict the minimum ages of residents of the Community from time to time.

(e) Activities Within Dwellings. No Use Restriction shall interfere with the activities carried on within the confines of dwellings, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Lots, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

(f) Allocation of Burdens and Benefits. No Use Restriction shall alter the allocation of financial burdens among the various Lots or rights to use the Common Area to the detriment of any Owner over that Owner's objection, expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the Common Areas available, from adopting generally applicable rules for use of Common Area, or from denying use privileges to those who abuse the Common Area, violate rules or this Declaration, or fail to pay assessments. This provision does not affect the right to increase the amount of assessments as provided in Article VIII.

(g) Alienation. Subject to the powers granted and reserved to the Association contained in Paragraph 10.5(d) above, no Use Restriction shall prohibit leasing or transfer of any Lot; provided, however the Association or the Board may require a minimum lease term of up to twelve (12) months, and the Association or Board shall require approval of any proposed purchaser or lessee, to insure that any applicable age restrictions established by the Board will be satisfied. The Association may require that Owners use lease forms approved by the Association, but shall not impose any fee on the lease or transfer of any Lot greater than an amount reasonably based on the costs to the Association of administering that lease or transfer.

(h) Reasonable Rights to Develop. No Use Restriction or action by the Association or Board shall unreasonably impede the Declarant's right to develop the Properties.

The limitations in this Section 10.5 above shall apply to Use Restrictions or Community Standards only; they shall not apply to amendments to this Declaration adopted in accordance with Section 15.2 below.

10.6 Age Restriction: The Properties are intended for and operated for occupancy in at least 80% of the Lots by at least one person 55 years of age or older per Lot. The Association shall require that at least 80% of the Lots be occupied by at least one person 55 years of age or older. The Board may establish policies and procedures to ensure that, at all times, at least 80% of the Lots are occupied by at least one person 55 years of age or older. No person who has not yet reached their 25th birthday shall reside permanently in the Properties. The Board, in its sole discretion, shall have the right and power to determine when a person resides "permanently" within the Properties or upon a Lot.

ARTICLE XI **EASEMENTS**

11.1 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Lot and any adjacent Common Area and between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than one (1) foot, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the

Person claiming the benefit of such easement.

11.2 Easements for Utilities. Etc.

(a) There are hereby reserved to the Declarant, so long as the Declarant owns any of the Properties or the Annexable Property, the Association, and the designees of each (which may include, without limitation, any governmental or quasi-governmental entity and any utility company) perpetual non-exclusive easements upon, across, over, and under all of the Properties (but not through a structure) to the extent reasonably necessary for the purpose of monitoring, replacing, repairing, maintaining and operating cable, voice, data or video systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways and trails; drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewer, telephone, gas, and electricity, and utility meters; and for the purpose of installing any of the foregoing on property which the Declarant or the Association owns or within easements designated for such purposes on recorded plats of the Properties.

Declarant specifically grants to the local water supplier, electric company, telephone company, cable TV company, and natural gas supplier reasonable easements across the Properties for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters and boxes, as applicable.

(b) There is hereby reserved to the Declarant, so long as the Declarant owns any of the Properties or the Annexable Property, the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any of the Properties.

(c) Any damage to a Lot resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of these easements shall not extend to permitting entry into the structures on any Lot, nor shall it unreasonably interfere with the use of any Lot and, except in an emergency, entry onto any Lot shall be made only after reasonable notice to the Owner or occupant.

11.3 Easements to Serve Additional Property. The Declarant hereby reserves for itself and its duly authorized agents, representatives, and employees, successors, assigns, licensees, mortgagees, and the owner of the undeveloped Annexable Property, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the Annexable Property, whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for construction of roads and for connecting and installing utilities on such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of vehicular traffic connected with development of such property. Declarant further agrees that if the easement is exercised for permanent access to such property

and such property or any portion thereof benefiting from such easement is not made subject to this Declaration, the Declarant, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of any maintenance which the Association provides to or along any roadway providing access to such Property.

11.4 Right of Entry. The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security, and safety reasons, to perform maintenance pursuant to Article V hereof, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, the members of the Architectural Control Committee pursuant to Article IX, and all police, firemen, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requesting by the Board, but shall not authorize entry into any single family detached dwelling without permission of the Owner, except by emergency personnel acting in their official capacities.

ARTICLE XII **MORTGAGE PROVISIONS**

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Lots in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Lot subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) days, or any other violation of the Declaration or By-Laws relating to such Lot or the Owner or Occupant which is not cured within sixty (60) days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

12.2 No Priority. No provision of the Governing Documents gives or shall be construed as giving the Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards

for losses to or a taking of the Common Area.

12.3 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

12.4 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5 HUD/VA Approval. During the Declarant Control Period, the following actions shall require the prior approval of the Declarant if either the U.S. Department of Housing and Urban Development or the U.S. Department of Veterans Affairs is insuring or guaranteeing the mortgage on any Lot: merger, consolidation or dissolution of the Association; annexation of additional property other than the Annexable Property; dedication, conveyance or mortgaging of Common Area; or material amendment of this Declaration.

ARTICLE XIII **DECLARANT'S RIGHT**

Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which the Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Real Estate Records of Valencia County or in the case of foreclosure or deed in lieu of foreclosure of a security interest granted by Declarant, tax sale, judicial sale, or sale under the Bankruptcy Code, the person acquiring title to such property may succeed to any or all of the Declarant's rights contained in the Governing Documents as are set forth in the written instrument evidencing the conveyance and recorded in the Public Records.

The Declarant and Builders authorized by Declarant may maintain and carry on upon portions of the Common area such facilities and activities, in the sole opinion of the Declarant may be reasonably required, convenient, incidental to the construction or sale of Lots, including, but not limited to, business offices, signs, model Lots, and sales offices. The Declarant and authorized Builders shall have easements for access to and use of such facilities.

The Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

No Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instruments affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently

approved by written consent signed by the Declarant and recorded in the Real Estate Records.

Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any Use Restrictions or Design Guidelines and Architectural Control Committee Rules made after termination of the Declarant Control Period shall be effective without prior notice to and the written approval of Declarant so long as the Declarant owns any portion of the Properties primarily for development and sale.

This Article may not be amended without the written consent of the Declarant. The rights contained in this Article shall terminate upon the recording by Declarant of a written statement that all sales activity has ceased.

ARTICLE XIV **DISPUTE RESOLUTION AND LIMITATION OF LITIGATION**

14.1 Agreement to Avoid Litigation. The Declarant, the Association, its officers, directors, and committee members, all Persons subject to this Declaration, any Builder, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that those claims, grievances or disputes described in Sections 14.2 below ("Claims") shall be resolved using the procedures set forth in Section 14.3 below in a good faith effort to resolve such claims.

14.2 Claims. Unless specifically exempted below, all claims, grievances or disputes arising out of or relating to the interpretations, application or enforcement of the Governing Documents, or the rights; obligations and duties of any Bound Party under the Governing Documents or relating to the design or construction of improvements on the Properties shall be subject to the provisions of Section 14.3 below.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 14.3:

(a) any suit by the Association or the Declarant against any Bound Party to enforce the provisions of Article VIII (Assessments);

(b) any suit by the Association to enforce the provisions of Article IX (Architectural Standards), Article X (Use Restrictions), and rules adopted by the Association;

(c) any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;

(d) any claim that the Committee has improperly approved plans for construction of improvements pursuant to Article IX hereof;

(e) any suit in which any indispensable party is not a Bound Party; and

(f) any suit which otherwise would be barred by any applicable statute of limitations.

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 14.3 below.

14.3 Mandatory Procedures.

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice") stating plainly and concisely:

1. the nature of the Claim, including the Persons involved and the Respondent's role in the Claim;

2. the legal basis of the Claim (i.e., the specific authority upon which the Claim arises);

3. Claimant's proposed remedy; and that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation and Mediation.

1. The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation.

2. If the Parties do not resolve the Claim within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of an independent agency providing dispute resolution services in the Albuquerque area.

3. If Claimant does not submit the Claim to mediation within thirty (30) days after Termination of Negotiations, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

4. Any settlement of the Claim through mediation shall be documented in writing by the mediator and executed by the Parties. If the Parties do not settle the Claim within thirty (30) days after submission of the matter to the mediation process, or within

such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit on the claim.

14.4 Allocation of Costs of Resolving Claims. Each Party shall bear its own costs of mediation, including any attorney fees incurred, and each Party shall share equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding ("Post Mediation Costs").

14.5 Enforcement of Resolution. After resolution of any Claim through negotiation or mediation, if any Party fails to abide by the terms of any agreement, then any other Party may file suit to enforce such agreement. In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorney fees and court costs.

ARTICLE XV **GENERAL PROVISIONS**

15.1 Duration.

(a) Unless terminated as provided in Section 15.1(b), this Declaration shall have perpetual duration. If New Mexico law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive periods of twenty (20) years each, unless terminated as provided herein. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of former United States President George Bush.

(b) Unless otherwise provided by New Mexico law, in which case such law shall control, this Declaration may not be terminated within twenty (20) years of the date of recording without the consent of all Members. Thereafter, it may be terminated only by an instrument signed by Members representing 75% of those voting on the matter of the Members in the Association, which instrument is recorded in the Real Estate Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

15.2 Amendment.

(a) By Declarant. The Declarant may unilaterally amend this Declaration if such amendment is necessary (i) to bring any provision into compliance with any applicable

governmental statute, rule, regulation or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots; or (iv) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment by Declarant shall not adversely affect the title to any Lot unless the Owner shall consent thereto in writing.

(b) By Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended at any time by the affirmative vote or written consent, or any combination thereof, of Members representing 75% of those voting on the matter of the Members in the Association. In addition, the approval requirements set forth in Article XII shall be met, if applicable.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date. No amendment may remove, revoke, or modify any right or privilege of the Declarant without the written consent of the Declarant (or the assignee of such right or privilege). Any amendment to the Governing Documents made by, or subject to the written consent of the Declarant must also have the written consent of the owner of any undeveloped Annexable Property.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording in the Real Estate Records of Valencia County, unless a later effective date is specified in the amendment. Any procedural challenge by an Owner to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

15.3 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

15.4 Litigation. Except as provided below, no judicial action shall be commenced or prosecuted by the Association unless approved by the affirmative vote or written consent, or any combination thereof, of Members representing more than 75% those voting on the matter of the Members in the Association. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as

provided in Article VIII; (c) proceedings involving challenges to ad valorem taxation; or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same precedes, necessary to institute proceedings as provided above.

15.5 Compliance. Every Owner and occupant of any Lot shall comply with the Governing Documents. Subject to the terms of Article IV, failure to comply shall be grounds for an action by the Association or, in the proper case, by any aggrieved Lot Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

15.6 Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Lot shall give the Board at least seven (7) days prior written notice of the name and address of the purchaser or transferee, the date of such transfer or title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, accruing until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

IN WITNESS WHEREOF, the undersigned have executed this Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Creation and Maintenance of a Planned Unit Development as of the date first written above.
